## **Features Key:**

High-Quality Graphics  
Complex Tracks  
A Wider Variety of Game Attacks  
Stylish Characters  
Massive Dungeon

## **Content Roadmap**

Demian1111 develops the final version of the game over a period of nearly six months. Developing an RPG from nothing is a labor of months and years, but make no mistake: the final game will be worth it.

## **Features:**

### **Item Rarity and Quality**

---

You can find only those items which have a certain quality or rarity. The Rarity and the Quality of each weapon, armor, and accessory is tied directly to the name of the items. As you collect these items, your character will grow.

**A Variety of Attacks to Manipulate Your Environment**

Combat in A3:online lives by the concept of exploiting weaknesses to utilize your style of play. By smashing through with one attack or by utilizing a variety of attacks, you can range from quick battles to strategic ones, without changing the battle maps that you previously agreed upon.

**Dynamic Character Building**

On both the battlefield and in the shops, you can easily build a character with varying abilities and let it select the status quo's growth path for you. In addition to matching weapons to your play style, you can adjust the abilities and attack levels of that particular build as you wish.

**An Overwhelming Exploration System**

Explore an open, living world in awe-inspiring detail! Each location comes with its own characteristics, so each explorer will find different things to see. What lies in the distant future? What lies in the past? The Land Between cannot be found unless you go!

**A Possibility of Romance**

With abundant romance, you will have a variety of romantic opportunities. To start with, the AI of your fellow party members will wait anxiously for your every word, and the opportunity will come as you go around the world!
